

## TSCA-Statement

The US Environmental Protection Agency (EPA) published the final rules under Section 6(h) of the Toxic Substances Control Act (TSCA) for five persistent, Bioaccumulative and Toxic (PBT) chemicals (see table below) on January 6, 2021. The aim is to reduce the risk of exposure to humans and the environment to these toxic substances.

LeitOn GmbH hereby confirms that their printed circuit boards (PCBs) and flexible printed circuits (FPCs) comply with below restrictions:

Chemical's name	CAS number	Limit
